Weight: Fibreglass 17.5kg
Vacuum Fibreglass 14.5kg
Carbon 11.5kg

SPEED

FENN MAKO 6

(DISCONTINUED MODEL)

Expert

This model has been discontinued and was replaced by the Fenn Elite. There are still many second hand Mako 6 on the market and still regarded as a good performing ski. It is 1cm wider than the Elite.

Length: 6.4m **Width:** 44cm

STABILITY

FENN ELITE

Expert

A high performance racing ski with superior performance in the ocean catching runners.

Length: 6.4m **Width:** 43cm
Weight: Fibreglass 17.5kg
Vacuum Fibreglass 14.5kg
Carbon 11.5kg

FASTEST

HARD

FENN ELITE SL

Advanced

The **Elite SL (Slimline)** is the skinny version of **Elite**. Being slightly thinner with a very pointy nose this boat is proving to be a winner amongst the top end paddlers.

Length: 6.4m **Width:** 42.5cm
Weight: Fibreglass 17.5kg
Vacuum Fibreglass 14.5kg
Carbon 11.5kg
